ance Notes on Codes and Abbreviations" appearing at the begin-
ning of each regular issue of the PCT Gazette.

(54) Title: **MERCHANDISING SYSTEM**

(57) Abstract: A merchandising system for articles comprising a base, a member coupled to the base having a front and a rear and configured to suspend the articles, and a pusher that advances along the member so that articles are advanced from the rear to the front of the member. The member is positioned substantially above the pusher as the articles are advanced along the member.
